

# CONNECTIONS

2023-2024

LORETO DAY SCHOOL, ELLIOT ROAD

LORETO DAY SCHOOL

**"Learning is all about connections we make and through our connections with unique people we can gain a true understanding of the world around us."**

**At LER, we not only wish to nurture the curricula and co-curricular needs of the child but also aspire to create memories that children cherish throughout their lives.**

**The academic session of 2023-2024 aimed at creating holistic education as envisaged by our foundress Mary Ward. This encompassed a suitable learning environment, comprehensive understanding, critical thinking, enhanced communication, creativity and innovation, stronger teacher-student relationships, increased respect and compassion for the self and society as a whole, and the creation of empowered voices. All academic and co-scholastic activities were designed to make our children 'lead, inspire, and make a difference'.**

**The Newsletter provides a glimpse into all the activities and achievements throughout the academic year.**

**The inter-school English fest, 'Literaria' witnessed the literary genius in all our students and paved the way for blossoming young writers and dramatists. The junior section Annual Concert, 'The Circle of Life' took all on a delightful journey to the animal kingdom where real-life messages were sent home. The Annual Sports day, 'Volonte' was a display of the willpower and perseverance of every senior section student to push themselves beyond the given boundaries. Besides creating a niche for themselves, our young Loretoites made an effort to bring happiness to many who were not fortunate enough to receive the basic necessities of life. Our outreach programmes like the Food ATM, the celebration of Girl Child Day, and providing midday meals to many taught them to be loving, compassionate and selfless.**

**As the Principal of the school, I feel honoured and privileged to be a part of an educational institution where every stakeholder is a learner and every day is an opportunity to learn and discover. We are grateful to all members of the LER family for their continuous support and appreciation of all that we do. We look forward to working together as a united family and empowering more lives through committed and meaningful endeavours in days to come.**

**"I can do things you cannot, you can do things I cannot; together we can do great things."-Mother Teresa**

Head Girl  
XII(Commerce)

*As I look back at the last academic year, I am filled with immense pride and gratitude for the privilege of serving the school as the Head Girl. It has been a year of growth, learning, achievements and great camaraderie. Together as a family, we have navigated through challenges, celebrated victories, and formed bonds that will surely last a lifetime. Our school has nurtured in us a sense of responsibility towards the society, urging us to use our education not just for our own glory but for the betterment of others. I have learned the importance of integrity, honesty, and empathy. These are not mere words but principles that have become an integral part of my identity.*

*As I stand on the threshold of my school, about to embark on a new journey, I promise to carry with me all that I have been taught since my younger days in school. Every moment spent in this school will always be cherished. I extend my heartfelt gratitude to the entire Loreto Elliot Road family - our Principal Mrs. J. G. Surana, teachers, staff, students and parents - for making this year extraordinary. This school has been more than just an institution; it has been a home filled with warmth, light, hope and aspirations. Loreto Day School, Elliot Road will hold a special place in my heart forever.*

*"Coming together is a beginning. Keeping together is progress. Working together is success"*

*-Henry Ford*

*It was my proud privilege to serve the school as the Vice Head Girl. It gave me immense pleasure to give back to the school that has given me so much. It was a beautiful journey that came with a lot of ups and downs but we could only overcome the difficulties having each others' backs. It not only made me responsible but also taught me that it is only through teamwork that great things can be achieved. It has nurtured in me feelings of compassion, cooperation and empathy. The values of love, justice, sincerity and freedom have shaped my life and have empowered me to do what is right at all times. Every moment I've spent serving my school will forever be cherished. I would like to thank our principal Mrs. J. G. Surana, our teachers, staff and students for giving me the opportunity of serving this school and for making this school year remarkable.*

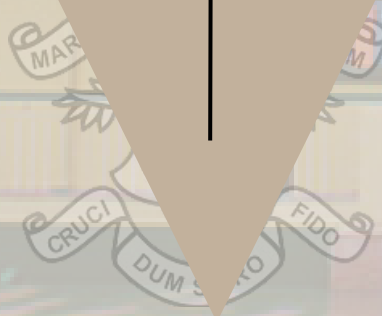

# A Lasting Loreto Legacy

A visitation made by Sr. Kate Myers and Sr. Natalie Houlihan, consultants to the General Sr. Carmel Swords based in Rome.

# In Pursuit of Selflessness

*The Invincible, Invulnerable  
and Indomitable*
